

How to Create a New Account on Lyrrix website

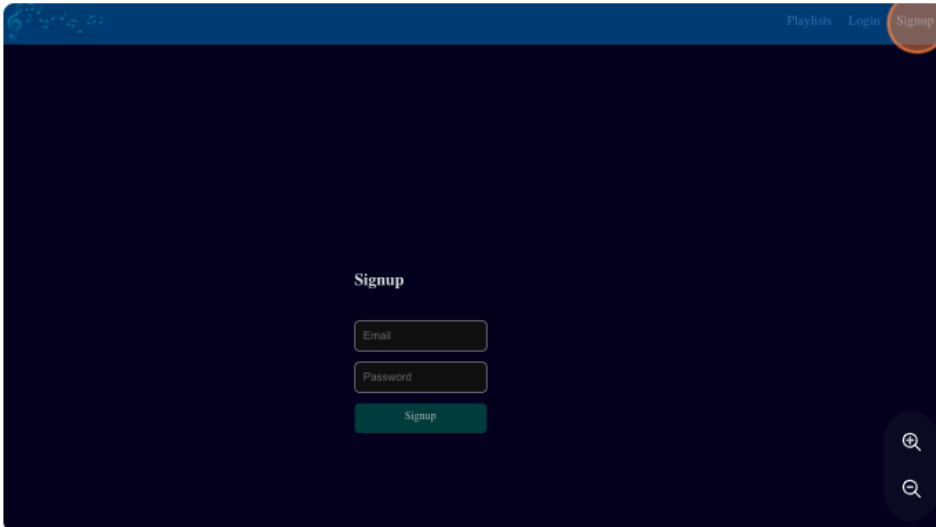

1 Navigate to [Signup](#) Link in upper right corner of navigation bar.

 Guide Me

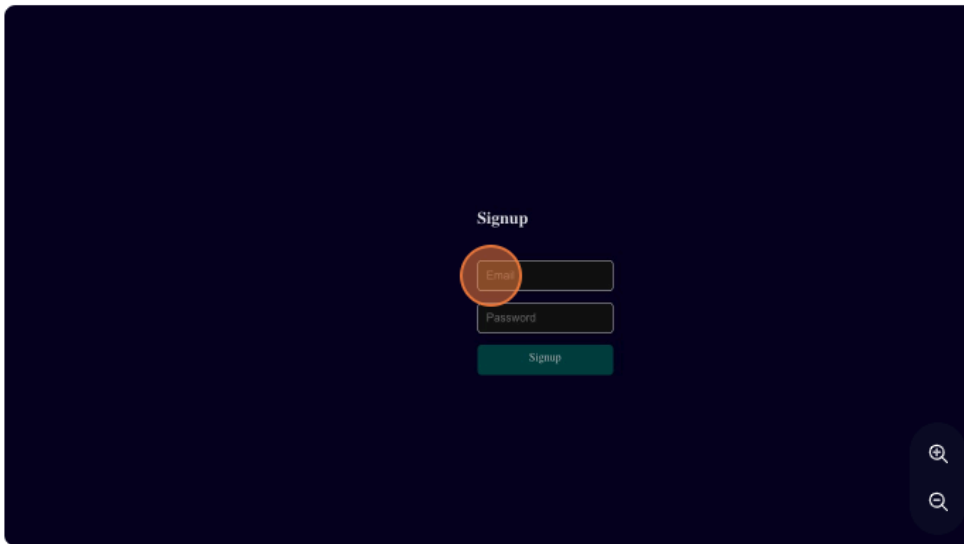

The screenshot shows a dark-themed web page with the title "Signup" centered. Below the title are two input fields labeled "Email" and "Password", followed by a green "Signup" button. In the bottom right corner, there is a circular menu with two magnifying glass icons.

2 Click "Signup"

This screenshot is identical to the previous one, but with an orange circle highlighting the "Signup" button in the top right navigation bar. The button is labeled "Signup" and is next to "Login" and "Playlist" links.

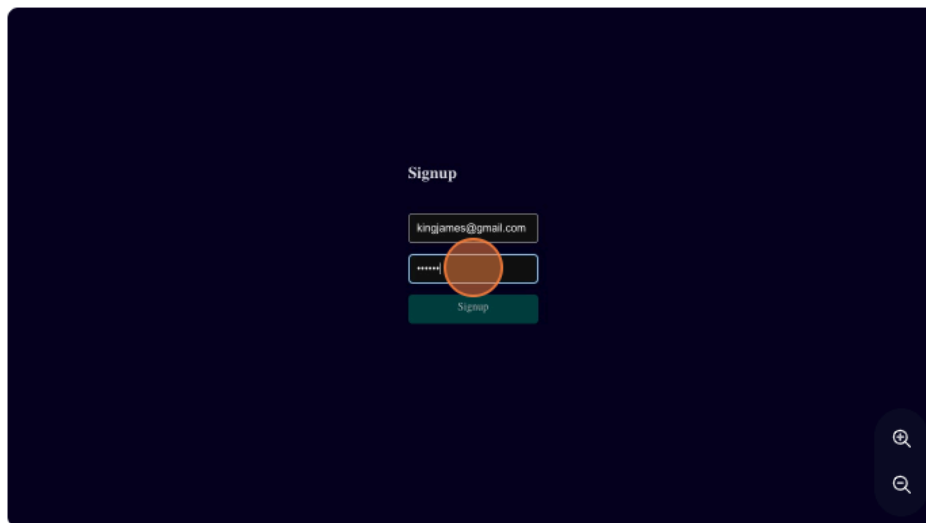

3 Click the "Email" field.

A dark-themed user interface for a signup form. The title "Signup" is centered at the top. Below it are two input fields: "Email" and "Password". The "Email" field is highlighted with an orange circle. At the bottom is a green "Signup" button. In the bottom right corner, there is a vertical stack of two circular icons, each containing a magnifying glass.

4 Type in your email address `tab`

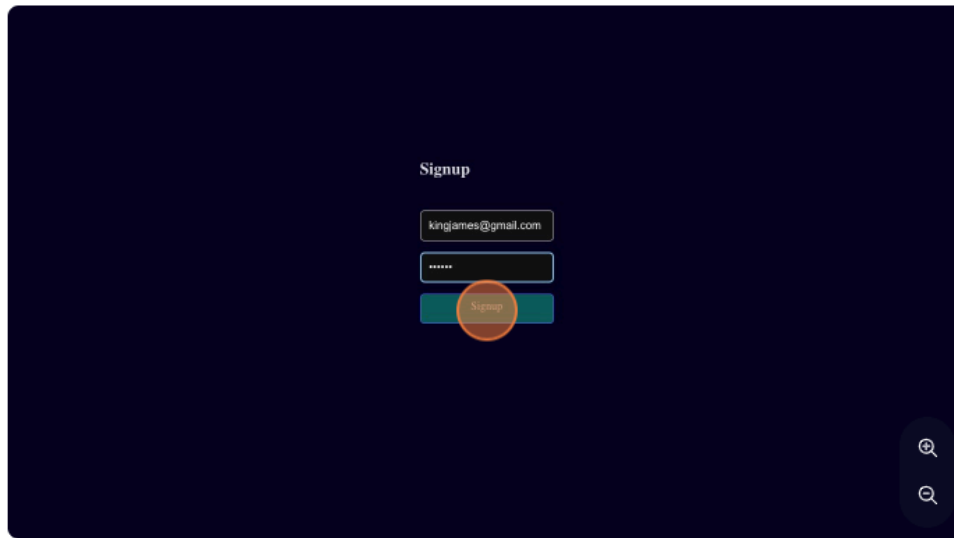

5 Click the "Password" field. Enter a password.

The same dark-themed user interface as before, but now the "Email" field contains the text "kingjames@gmail.com" and the "Password" field contains a masked password "*****". The "Password" field is highlighted with an orange circle. The "Signup" button remains at the bottom. The magnifying glass icons are still in the bottom right corner.

6

Click "Signup"

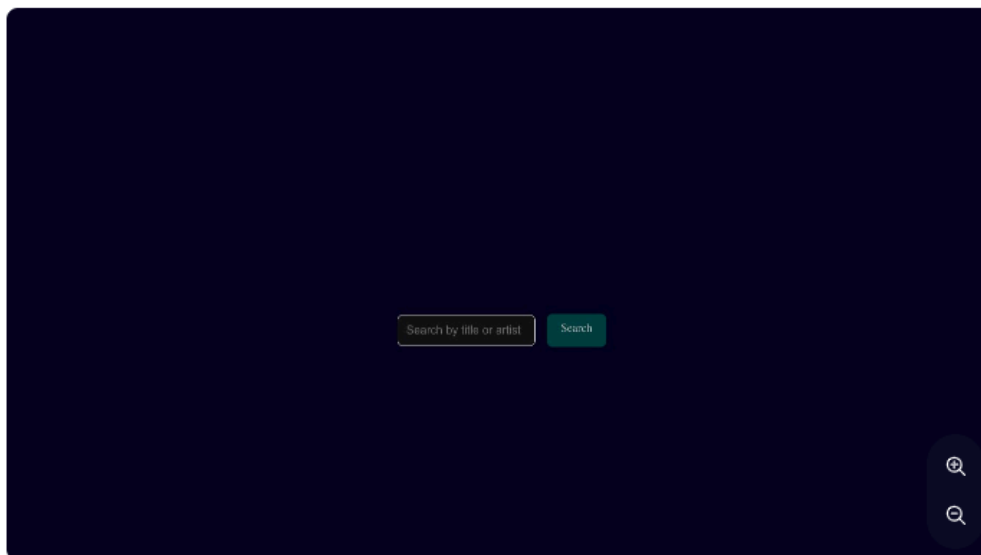

A screenshot of the 'Signup' page in the Lyrux application. The page has a dark blue background. At the top center, the word 'Signup' is displayed in white. Below it, there are two input fields: the first contains the email address 'kingjames@gmail.com' and the second contains masked characters '*****'. Below these fields is a green 'Signup' button, which is highlighted with an orange circle. In the bottom right corner, there is a vertical stack of two circular icons, each containing a magnifying glass.

Logging Into Lyrux Application
